Alcoholicos Anonimos [Alcoholics Anonymous]

Synopsis

Quienes conformamos Alcoholics Anonymous, somos miles de cien mujeres y hombres que hemos logrado restablecernos de una condición de salud aparentemente sin esperanzas de cura, tanto de nuestra mente como de nuestro cuerpo. Es así que el propósito principal de este libro es informar a otras personas alcohólicas, en una manera detallada, la forma en que hemos podido restablecernos. Abrigamos la esperanza de que estas páginas le resulten al lector afectado de alcoholismo lo suficientemente convincentes, a modo de que no busque una mayor certitud sobre el tema. Compartimos la idea de que esta comunicación de nuestras experiencias, asimismo, ayudará a las demás personas a comprender mejor al alcohólico. Hay muchos que aun no alcanzan a entender que el alcohólico es una persona muy enferma. Por otro lado, estamos seguros de que nuestra nueva forma de vida representa ventajas para todos. Please note: This audiobook is in Spanish.
