Goat Herpes And Other Problems

Synopsis

It's Willow's first day on the job at Godly Acres, the world's premier rehabilitation facility for gods and goddesses, and she might be in over her head. Sex addiction, alcoholism, eating disorders, goat herpes...you name it, there's a Greek god who has it. Will she be able to help these gods and goddesses work through their issues? Find out in Goat Herpes and Other Problems! (Goat Herpes and Other Problems contains the plays "Godly Acres," "Godly Acres: Bitch Session," and "Playing Doctor.")

Customer Reviews

Welcome to Godly Acres a special rehabilitation center. Why special? because it is rehab to the Gods. If the God's from mythology had to have therapy, what would it be like? This humorous book which is actually a play lets you know. This book made me smile, laugh and cheer as I was walked through the problems that the mythical God's might have had. Interesting idea and great job!

This book of plays is short and sweet. I enjoyed them and was able to speed right through. My

favorite was the third play, "Playing Doctor". I really enjoyed the banter between Karen and Zeus. Karen would fend off Zeus's advances, and the two lobbed insults and retorts back and forth. Besides that, the ending made me laugh aloud. While all the plays are both well-written and humorous, I felt that in some instances the stereotypes were laid on a little thick. Also, the first rule of any group-therapy session is that no touching is allowed. Even though this is a work of fiction, it struck me as odd that it would be okay for the group members to hug. I would love to see these performed someday. I feel that the characters would be easy to bring to life, and good actors will easily play on the references and stereotypes. As I read, it was effortless to picture a performance of these works in my head. The dialogue is simple, but expressive. Overall I would recommend this book-- In fact, I know a few people who would definitely enjoy the characters and humor. Any fan of the Greek gods and drama will find it amusing and engrossing.

This is a fantastic premise. Had a great good time reading it out loud over wine and cheese with friends one evening. We were rolling. We especially enjoyed the more obscure mythology references. The only reason not 5 stars? Although plays are fantastic, I think these would have made even better short stories.
