The Art Of Hair Colouring: Hairdressing And Beauty Industry Authority/Thomson Learning Series (Hairdressing Training Board/Macmillan)

Synopsis

Designed for both hairdressing students and experienced technicians, the object of this book is to unveil the visionary world of colour. This book will help you to understand the philosophy, the history, and the power of colour and, perhaps more importantly, it will also show you how, with step-by-step photo sequences, to take the uncertainty and complexity out of colouring hair. David Adams is one of the UK's leading hair colourists and is technical director at the Aveda Salon in Harvey Nichols, London. His reputation for technical brilliance and innovation in new techniques mean he commands the utmost respect from the industry and trust from his clients. As such, he is the ideal author of a book on hair colouring for his fellow professionals, students training as hairdressers, and those involved in teaching and training.

Customer Reviews

I'm a cosmetology student who has had a few months of "basic" hair colouring. This book gave me some new ideas and tools to expand my knowledge. I highly recommend it!

good for cosmetology student or just home cutting use.
