So You Want To Be A 911 Dispatcher...: What To Expect And How To Prepare

Synopsis

A position as a 911 dispatcher is a valued, intense, and highly-skilled position in the wheel of emergency services. While often viewed as a clerical position by the general public, and a stepping-stone for those looking to get into law enforcement, the job of a 911 dispatcher is increasingly viewed as a career. More skilled individuals are needed in 911 centers, and this book will provide you with the resources to prepare for all the steps involved, and provide real-life knowledge of what it takes to be successful.
