Total Productive Maintenance

Synopsis

Total Productive Maintenance Second Edition By Terry Wireman 2004, 224pp, illus., ISBN: 978-0-8311-0210-4, \$46.95 Written for anyone who is considering implementing or currently using TPM or looking for ways of improving their current process, the second edition focuses on the financial approach to the subject-a methodology that produces quantifiable results allowing a TPM program to be sustainable. Completely revised and updated, this classic reference is the most flexible and comprehensive approach documented to date. Additionally, it offers a significant amount of new material, such as: 1. Various case studies that show how to explain the value of OEE to everyone in the organization from the senior executive to the shop floor personnel. 2. OEE discussions showing how to dollarize results and present the financial terms to executive financial personnel. 3. A clarification of the goals and objectives of TPM, allowing TPM Champions to clearly present a TPM business case to their organizations. 4. The pitfalls that may be encountered during TPM implementation and how to avoid or correct these problems.

Customer Reviews

This is a good resource of information if you are trying to implement TPM. Even when you are used to the TPM filosphy or not you will be taken step by step thru the process. It use simple and practical lenguage and it's easy to understand. I really recomend it for the begginer maintenance engineer and as a reference for the maintenance manager.

Book was in the shape it said it was in. Shipped fast and excellent service. will buy from again
