Customer Reviews

The Natural Migraine Solution is truly eye opening. I am not a migraine sufferer, but sister to a chronic migraine sufferer. For family of migraine sufferers you don't understand what your loved one is going through...we can't possibly understand! However, this book has given me personal insight into my loved one's hardship. Empathy is important to support someone in healing. Emily's personal insight allows me to have empathy for those suffering this illness and a roadmap on how I could better support my own sister. Thank you for writing this book....to help me better relate and support someone I love so much.

An Incredible book, highly effective with protocols that are easy to apply to one's lifestyle. The author has done all the work for you, her personal journey as a migraine sufferer and her thorough research and applied knowledge makes this one of the best books ever written on the subject. It is a must read and go to resource for anyone that has or knows someone who suffers from migraine's. ***
HIGHLY RECOMMENDED...

This is a wonderful, easy to read book with practical applications on how to handle migraines. I recommend anyone dealing with chronic migraines to read this book. Emily speaks from her own experiences and shares her wisdom of how she overcame debilitating migraines to living a healthy,

happy life free of pain and suffering. Read this book!
