The Eating Disorders Sourcebook: A Comprehensive Guide To The Causes, Treatments, And Prevention Of Eating Disorders (Sourcebooks)

Synopsis

Sound, sensitive advice for overcoming an eating disorder Anorexia, bulimia, binge eating, exercise addictions . . . these disorders can be devastating, but they are in no way unbeatable. Therapist Carolyn Costin, herself recovered from anorexia, brings three decades of experience and the newest research in the field together, providing readers with the latest treatments, from medication and behavioral therapy to alternative remedies. Whether you are living with an eating disorder or you are a loved one or professional helping someone who is, The Eating Disorder Sourcebook will help you: Recognize and identify eating disorders Discover and work with the underlying causes of an eating disorder Make the right choices when comparing treatment options Understand what is expected in individual, group, and family therapy Know when outpatient treatment is not enough and what else can be done

Customer Reviews

Whether you're a clinician treating eating disorders, a client struggling with one, or a significant other witnessing a loved one in the throes of an eating disorder, this book will likely prove to be quite a valuable resource. A quick look at the table of contents shows the breadth of content it covers:Chapter 1: From Diet to Disorder: Problems and PrognosisChapter 2: Young, White, and Female: Myth or Reality?Chapter 3: Activity Disorder: When a Good Thing Goes BadChapter 4: Genes or Jeans: What Causes Eating Disorders?Chapter 5: Eating Disorders as Adaptive FunctionsChapter 6: To Those Who Love Them: Guidelines for Family and Significant

Others
Chapter 7: Assessing the Situation
Chapter 8: Treatment Philosophy and Approaches
Chapter 9: Individual Therapy: Putting the Eating Disorder Out of a Job
Chapter 10: Sharing the Pain and Promise in Group
Chapter 11: Family Therapy: Working with Families and Significant Others
Chapter 12: Enough About Your Mother, What Did You Eat Today?
Chapter 13: Medical Assessment and Management
Chapter 14: The Psychiatrist's Role and Psychotropic Medication
Chapter 15: When Outpatient Treatment Is Not Enough
Chapter 16: Alternative Approaches to Treating Eating Disorders
Chapter 17: Increasing Awareness and Prevention
In addition to providing such a comprehensive overview of the development, treatment, and prevention of eating disorders, it is written in an easy-to-digest (hard to resist the pun) form, with an effective mix of facts, suggestions, and clinical examples. I was impressed with how well each bite-sized chapter communicates the essence of its individual topic, and also offers additional resources for deeper learning.
