IEEE Std 1100-1999, IEEE Recommended Practice For Powering And Grounding Electronic Equipment (The IEEE Emerald Book)

Synopsis

Incompatibilities between power system characteristics and equipment tolerances have caused operating problems and loss of productivity in all kinds of power systems-putting facility engineers and system designers in the spotlight to provide effective and efficient solutions. A key element to formulating any solution is the cooperative effort, among power system designers, equipment manufacturers, and the electric utilities, to provide and maintain an acceptable level of load/source compatibility. IEEE Std 1100-1999, Recommended Practice for Powering and Grounding Electronic Equipment, provides good engineering practice that can be applied in the development of these solutions. ~from inside flap

Book Information

Hardcover: 414 pages

Publisher: Inst of Electrical & Electronics Engineers (May 1999)

Language: English

ISBN-10: 0738116602

ISBN-13: 978-0738116600

Product Dimensions: 1.5 x 7.5 x 10.2 inches

Shipping Weight: 2.1 pounds

Average Customer Review: 5.0 out of 5 starsÂ [See all reviewsÂ \(2 customer reviews\)](#)

Best Sellers Rank: #1,656,416 in Books (See Top 100 in Books) #152 inÂ Books > Engineering & Transportation > Engineering > Electrical & Electronics > Electronics > Sensors #230 inÂ Books > Engineering & Transportation > Engineering > Energy Production & Extraction > Power Systems #333 inÂ Books > Engineering & Transportation > Engineering > Energy Production & Extraction > Electric

Customer Reviews

This book, now in its second edition, is the work of power quality professionals who are members of the IEEE. It features the official vocabulary for power quality, outlines numerous PQ fundamentals, covers grounding & bonding and supplies recommended practices for many PQ mitigation techniques. The coverage of power quality case studies is helpful but not as in depth as it could be. This is a must-have for anyone interested in learning about power quality.

Just as described by the seller. No problems at all.
